Castner Art Show: El Paso Community Foundation hosted a Castner Range art show displaying children’s art work from local school children in El Paso, Texas. Schools include, but not limited to, Magoffin Elementary, El Paso High School and Roberts Elementary School.

DC Trip: El Paso Citizens, a teacher, Rotarian, biologist, and UTEP student went to DC to share why Castner Range is of value to them and why it needs to be protected.

Castner Range National Monument Movement!
We hosted booths at Party for the Planet at El Paso Zoo, City Environmental Services and El Paso Community College Earth Day event where we collected over 1,000 letters of support. Then on Saturday, May 7, we had a block walking event where over 30 volunteers visited over 1,500 homes asking them to sign on in support of Castner Range National Monument!

Personal El Pasoan Perspective!
Pablo Lopez graduated from UTEP in 1989, from Bowie High in 1979, and from Guillen Middle School and Alamo Elementary before that.
He is currently on the faculty of Hillside Elementary (EPISD); before that he worked as a coach at the Southside Boys’ and Girls’ Club. Born and raised in the Segundo Barrio (where he still resides today), Pablo is the President of the Southside Neighborhood Association and is also the Central Planning District representative on the City of El Paso’s Neighborhood Coalition’s Council.

The Neighborhood Coalition of the City of El Paso’s 79 City-registered neighborhood associations hereby urges the President of the United States and the Secretary of the Department of the Interior to designate Castner Range as a National Monument. Many of our neighborhoods abut or lie close to Castner Range, and we applaud the dozen successful ad hoc efforts since 1978 to preserve the Range from development.
